

OKALOOSA COUNTY SAMPLE BALLOT

GENERAL ELECTION
NOVEMBER 3, 2020

Paul Lux, Okaloosa County Supervisor of Elections

Your Vote Counts!

Dear Okaloosa County Voters,

We have prepared this Sample Ballot booklet to help guide you through the races you will be voting on in the November 3 General Election and to update you with any changes in law since the last time you voted.

By now, many of you are familiar with the numerous amendments to Florida's Constitution that typically appear on General Election ballots. This year is no different. There are six (6) Constitutional Amendments on the General Election ballot and a county-wide School District Referendum. Please take time to familiarize yourself with the amendments before you go vote. Being informed will save you time at the polls!

Some other important things to remember:

- **This year's ballot has two sides!** Be certain to vote both sides of the ballot as directed. Feel free to mark this sample ballot and take it with you to the voting booth. Additional copies can be found on our website at www.voteokaloosa.gov and are available at both offices of the Okaloosa County Supervisor of Elections or at your local library.
- **Have you moved recently?** You can save yourself a lot of time and headache on Election Day by updating your voter record with us prior to November 3. Call or email us, go online, or visit us in person to update your information, and learn the location of your new polling place. *Remember, it is a felony to vote in a precinct other than that in which you reside.*
- **Did you bring a photo and signature ID?** Whether you vote early or at the polls, you must present a form of valid photo and signature identification. The most commonly used is a Florida driver's license. *If your photo ID does not contain your signature, you will be asked to provide an additional identification that includes your signature.* If you fail to bring ID, you will be asked to vote a Provisional Ballot. Your Voter Information Card cannot be used as identification at the polls. Please see the list of the 12 valid forms of identification listed on pages 3 and 5.
- **Do you need assistance voting?** You can bring a friend or relative, but our Patriot Poll Workers are well trained and qualified to assist you, too. All polling places also have electronic ballot-marking devices that allow most voters with disabilities to vote independently and in secret. Just ask

If you still have questions after looking this over, please visit our website at www.voteokaloosa.gov, call us, or feel free to e-mail me at plux@myokaloosa.com any time. It is my honor and privilege to serve you.

Sincerely,

Paul Lux, CERA

VOTE BY MAIL

As of July 1, 2016, "Absentee Voting" is now "Vote-by-Mail" in the state of Florida. Vote by Mail is by paper ballot (optical scan) issued and received by envelope. The most convenient way to obtain your Vote-by-Mail ballot is to contact the elections office by telephone at (850)689-5600 or (850)651-7272. You can also request a Vote-by-Mail ballot by email, mail, in person, or by visiting our website at www.voteokaloosa.gov. By Florida Statute, ballots may only be sent to an address currently on record. To have your ballot sent to a different mailing address, that request must be made in writing with a signature. Only a voter's immediate family can pick up a Vote-by-Mail ballot beginning the ninth day before Election Day (October 25). **A voter must designate the family member in writing.**

The deadline for requesting a ballot to be mailed is the tenth day prior to the election (October 24), and last day our office can mail ballots to voters is the eighth day prior (October 26). Vote-by-Mail ballots must be received in the elections office by 7 PM on Election Day. You can deliver your ballot in person to either of our offices and any of our five Early Voting sites during Early Voting hours only. **Ballots may not be dropped off at precinct polling places on Election Day.**

PROVISIONAL BALLOTS

In order to ensure that no eligible voter is turned away, the law provides a method of voting for a person whose eligibility may be questioned at the polls. If no final determination can be made at the time of voting, or if the voter disagrees with a determination of eligibility, he or she may vote a provisional ballot. This ballot is secured in an envelope and the Canvassing Board will determine whether it is to be counted after research is completed by the elections office.

In addition, the voter has until 5 PM on the second day after the election to provide any further evidence he or she may have to prove his or her eligibility. All provisional voters are given written notice of free access to information on the disposition of his or her own provisional ballot.

Please note: A voter who fails to bring photo and signature ID when voting is required by law to vote a provisional ballot. However, no further proof of eligibility is required by the voter. The voter's signature will be compared to the signature on file and counted if it matches. Voting by affirmation for lack of ID has been repealed.

SIGNATURE UPDATE

Has your signature changed from

to

 ?

If so, please update your signature at either of our offices. Any voter who needs to update his or her signature must do so before the November 3, 2020 Canvassing Board meeting.

Each September 30th thereafter, minimum wage shall increase by \$1.00 per hour until the minimum wage reaches \$15.00 per hour on September 30th, 2026. General Election Ballot Page 1 for Precincts 1 - 52
This composite ballot is for ALL voters county-wide (unless otherwise noted).

No. 3 Constitutional Amendment Article VI, Section 5	No. 4 Constitutional Amendment Article XI, Sections 5 and 7	County School Board Referendum
<p>All Voters Vote in Primary Elections for State Legislature, Governor, and Cabinet</p> <p>Allows all registered voters to vote in primaries for state legislature, governor, and cabinet regardless of political party affiliation. All candidates for an office, including party nominated candidates, appear on the same primary ballot. Two highest vote getters advance to general election. If only two candidates qualify, no primary is held and winner is determined in general election. Candidate's party affiliation may appear on ballot as provided by law. Effective January 1, 2024.</p> <p>It is probable that the proposed amendment will result in additional local government costs to conduct elections in Florida. The Financial Impact Estimating Conference projects that the combined costs across counties will range from \$5.2 million to \$5.8 million for each of the first three election cycles occurring in even-numbered years after the amendment's effective date, with the costs for each of the intervening years dropping to less than \$450,000. With respect to state costs for oversight, the additional costs for administering elections are expected to be minimal. Further, there are no revenues linked to voting in Florida. Since there is no impact on state costs or revenues, there will be no impact on the state's budget. While the proposed amendment will result in an increase in local expenditures, this change is expected to be below the threshold that would produce a statewide economic impact.</p> <p><input type="radio"/> Yes <input type="radio"/> No</p>	<p>Voter Approval of Constitutional Amendments</p> <p>Requires all proposed amendments or revisions to the state constitution to be approved by the voters in two elections, instead of one, in order to take effect. The proposal applies the current thresholds for passage to each of the two elections.</p> <p>It is probable that the proposed amendment will result in additional state and local government costs to conduct elections in Florida. Overall, these costs will vary from election cycle to election cycle depending on the unique circumstances of each ballot and cannot be estimated at this time. The key factors determining cost include the number of amendments appearing for the second time on each ballot and the length of those amendments. Since the maximum state cost is likely less than \$1 million per cycle but the impact cannot be discretely quantified, the change to the state's budget is unknown. Similarly, the economic impact cannot be modelled, although the spending increase is expected to be below the threshold that would produce a statewide economic impact. Because there are no revenues linked to voting in Florida, there will be no impact on government taxes or fees.</p> <p>THE FINANCIAL IMPACT OF THIS AMENDMENT CANNOT BE DETERMINED DUE TO AMBIGUITIES AND UNCERTAINTIES SURROUNDING THE AMENDMENT'S IMPACT.</p> <p><input type="radio"/> Yes <input type="radio"/> No</p>	<p>Levy of One-Half Cent Per Dollar Sales Surtax to Finance Educational Facilities and Equipment</p> <p>Shall the School Board of Okaloosa County be authorized to levy a 10 year, one-half cent per dollar sales surtax effective January 1, 2021, for the acquisition, renovation, construction and equipping of public schools, land, safety enhancements, buses, equipment, technology, portable classrooms reduction, and retirement of debt, subject to oversight by a citizen's committee; revenues collected must be shared with eligible charter schools based on their proportionate share of the total school district enrollment?</p> <p><input type="radio"/> Yes For 1/2 cent tax <input type="radio"/> No Against 1/2 cent tax</p>

	<p>No. 6 Constitutional Amendment Article VII, Section 6 and Article XII</p> <p>Ad Valorem Tax Discount for Spouses of Certain Deceased Veterans Who Had Permanent, Combat-Related Disabilities</p> <p>Provides that the homestead property tax discount for certain veterans with permanent combat-related disabilities carries over to such veteran's surviving spouse who holds legal or beneficial title to, and who permanently resides on, the homestead property, until he or she remarries or sells or otherwise disposes of the property. The discount may be transferred to a new homestead property of the surviving spouse under certain conditions. WHAT TO EXPECT AT THE POLLS

THE BAILIFF

I'm a special deputy who will greet you at the door and provide assistance when needed. I'll remind you to silence your cell phone and to have your ID ready!

THE GREETER

I'm especially helpful to first-time voters, giving ballot demonstrations and answering most questions. I even have special ballots for the kids, too!

EVID INSPECTOR

I have the poll register with your name in it. I'll ask for your ID and check your signature before giving you a Voting Pass. I should never tell you that you can't vote!

BALLOT INSPECTOR

I take your Voting Pass and give you your ballot in a secrecy folder. Then I'll point your way to the voting booth to mark your ballot.

THE AUTOMARK

The law requires that each precinct have a voting machine for voters with special needs. It helps voters who have visual or other impairments to vote independently.

VOTE!

Vote your secret ballot in the booth provided. ***If you make a mistake, please ask for a new ballot!*** All done? Put your ballot in the folder and head for the Ballot Box.

BALLOT BOX INSPECTOR

I stand near the Ballot Box to assist voters should a problem arise. If one does, I can always call the Clerk!

NEED ASSISTANCE?

If you have any special needs that will make your voting experience easier and faster, just ask! There are plenty of friendly poll workers waiting to help!

THE CLERK

I'm in charge of the precinct. If you have any questions or need extra assistance, I'll be happy to help. There's no problem I can't solve!

SOLICITATION

Equally popular and unpopular, the law prohibits any form of solicitation within 150 feet of your polling place.

THANK YOU!

After you slide your ballot into the Ballot Box, you're finished! Don't leave without your "I Voted" sticker and wear it proudly!
